

**Dear Guests and
Friends of the
Salzburg Easter
Festival,**

the Salzburg Easter Festival is unique, as nowhere else can one hear the famous Berlin Philharmonic under its chief conductor performing a new opera production on stage. Nowhere else can one witness the outstanding qualities of this first class orchestra playing opera, concerts and chamber music within a couple of days. And nowhere else is the connection between the festival and its audience as intense as it is here.

The Salzburg Easter Festival deeply appreciates the material and non-material support it receives from its Association of Patrons. Through the support of our patrons, the gathering has become a cultural and social highlight around Easter every year.

As president of the Association of Patrons of the Salzburg Easter Festival, I invite you to become a patron and an ambassador for classical music. As a patron you can enjoy priority booking to all performances, the opportunity to attend a rehearsal of the Berlin Philharmonic as well as exclusive invitations to various events such as pre-performance talks. The following pages will give you an overview of our membership scheme, offering various tailor-made services.

Making a gift donation to the Association will support the continuance of exciting productions and ensure you get a first class service.

I look forward to welcoming you!

Best wishes,

Michael Berger-Sandhofer
